

Membership Fee and payment details

All choir members pay a membership fee each term. We have three terms: spring term starts in January; summer term in April; and the autumn/winter term starts in September. Membership fees provide members with music scores and learning tracks as well as paying the professional team and the school to hire the hall where we rehearse. The membership fee is **increasing to £85** each term from January 2027.

Returning choir members are asked to pay their membership fee before the first week of term to support our librarians and membership secretary planning for appropriate music resources for members.

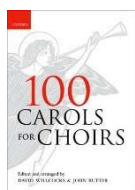

New members, who choose to join us after a free taster session, will also need to pay the full membership fee.

Fees should be paid into the choir bank account using the following details:

Bank:	The Co-operative Bank
Account Name:	Bowes Park Community Choir
Sort Code:	08-92-99
Account number:	65394984

Lack of money should not affect your decision to join the choir or to continue as a member. The committee has discretion to make special fee arrangements. Speak to a committee member at a meeting or if it's easier, email the choir secretary.
